

# See You Again ft. Charlie Puth – Wiz Khalifa

It's been a long day  
Without you my friend  
And I'll tell you all about it  
When I see you again  
We've come a long way  
From where we began  
Oh I'll tell you all about it  
When I see you again  
When I see you again

Damn who knew  
All the planes we flew  
Good things we've been through  
That I'll be standing right here talking to you  
'Bout another path  
I know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up  
Look at things different, see the bigger picture  
Those were the days  
Hard work forever pays  
Now I see you in a better place

Uh!

How could we not talk about family  
When family's all that we got?  
Everything I went through you  
Were standing there by my side  
And now you gonna be with me  
for the last ride

It's been a long day  
Without you my friend  
And I'll tell you all about it  
When I see you again

We've come a long way  
From where we began  
Oh I'll tell you all about it  
When I see you again  
When I see you again

O o o o

O o o o o o o

U u u u u u u u u u u u u u u u u

First you both go out your way  
And the vibe is feeling strong  
And what's small turn to a friendship  
A friendship turn into a bond  
And that bond will never be broken  
And the love will never get lost  
And when brotherhood come first  
Then the line will never be crossed  
Established it on our own  
When that line had to be drawn  
And that line is what we reached  
So remember me when I'm gone

How could we not talk about family  
When family's all that we got?  
Everything I went through you  
Were standing there by my side  
And now you gonna be with me  
for the last ride

So let the light guide your way, yeah  
Hold every memory as you go  
And every road you take  
Will always lead you home  
Ooou

It's been a long day  
Without you my friend  
And I'll tell you all about it  
When I see you again

We've come a long way  
From where we began  
Oh I'll tell you all about it  
When I see you again  
When I see you again

Oooo  
Yeah  
When I see you again, see you again  
Oo  
When I see you again
