

# Land Of All – Woodkid

I took a chance to build a world of mine  
A one way ticket for another life  
On a petrol stained sailboat  
On a petrol stained sailboat  
I used to dream about the other side  
The sun rising on the skyline  
And a beautiful rainbow  
Such a beautiful rainbow  
I came to break the wall that rose around you  
To see the land of all  
I will fall for you  
I will fall for you  
I miss the friends I had to leave behind  
My dad saying "I'm proud of you son"  
It makes me wanna go home  
Could I ever call this place home?  
I came to break the wall that rose around you  
To see the land of all  
I will fall for you  
I will fall for you  
I came to break the wall that rose around you  
To see the land of all  
I will fall for you  
I will fall for you
