

Land Of All – Woodkid

I took a chance to build a world of mine
A one way ticket for another life
On a petrol stained sailboat
On a petrol stained sailboat
I used to dream about the other side
The sun rising on the skyline
And a beautiful rainbow
Such a beautiful rainbow
I came to break the wall that rose around you
To see the land of all
I will fall for you
I will fall for you
I miss the friends I had to leave behind
My dad saying "I'm proud of you son"
It makes me wanna go home
Could I ever call this place home?
I came to break the wall that rose around you
To see the land of all
I will fall for you
I will fall for you
I came to break the wall that rose around you
To see the land of all
I will fall for you
I will fall for you
