

# Shine – Years & Years

I remember us alone  
Waiting for the light to go  
Don't you feel that hunger?  
I've got, so many secrets to show  
When I saw you on that stage  
I shivered with the look you gave  
Don't you hear that rhythm?  
Can you show me how we can escape?

I was biting my tongue  
I was trying to hide  
I'll forget what I've done  
I will be redefined

It's shaking the sky  
And I'm following lightning  
I'll recover if you keep me alight  
Don't leave me behind  
Can you see me? I'm shining  
And it's you that I've been waiting to find

I'm holding it all tonight  
I'm holding it all tonight  
You know that you make it shine  
It's you that I've been waiting to find

I'm holding it all tonight  
I'm holding it all tonight  
You know that you make it shine  
It's you that I've been waiting to find

Now that we can hear that sound  
Now that you can hold me down  
You can pull me under  
You can raise everything to the ground  
Everything I can arrange

Every part of me you change  
Just hold me together  
Tell me  
You'll always want me to stay

I was biting my tongue  
I was trying to hide  
I'll forget what I've done  
I will be redefined

It's shaking the sky  
And I'm following lightning  
I'll recover if you keep me alight  
Don't leave me behind  
Can you see me? I'm shining  
And it's you that I've been waiting to find

I wanna be the one you steal  
I wanna be the one you shield  
I wanna be the one that your love  
That your love can heal  
I wanna be the one you steal  
I wanna be the one you shield  
I wanna be the one that your love, your love

It's shaking the sky  
And I'm following lightning  
I'll recover if you keep me alight  
Don't leave me behind  
Can you see me? I'm shining  
And it's you that I've been waiting to find

I'm holding it all tonight  
I'm holding it all tonight  
You know that you make it shine  
It's you that I've been waiting to find

I'm holding it all tonight  
I'm holding it all tonight  
You know that you make it shine

It's you that I've been waiting to find

It's you that I've been waiting to find

It's you that I've been waiting to find
