

# My Mind – YEBBA

I heard you coming at a quarter to three  
You closed the door and laid down next to me  
But then I heard you say her name in your sleep  
Your dirty secret's too far gone to keep

I, I, I  
I'm 'bout to lose my  
I, I am, I  
I'm 'bout to lose my  
My mind, my mind, my mind  
'Bout to lose my  
My mind, my mind  
I think about you all the time,

You can't even look me dead in the eyes  
Her love is strong, she got you hypnotised  
You say you love me, but I know it's a lie  
When I work so hard to keep you satisfied

I, I, I  
I'm 'bout to lose my  
I, oh, I am, I  
I'm 'bout to lose my  
My mind, my mind, my mind  
'Bout to lose my  
My mind, my mind, my mind  
'Bout to lose my, woah

How could ya? How could you do, do this to me?  
No way, no way, she can't take you away from me  
I sure won't stay, but I'll be damned if I ever leave  
No way, no way, she won't take you away from me  
I sure won't stay, but I'll be damned if I ever leave  
If I ever leave  
Anybody know what I'm talking about?  
No way, no way, she can't take you away from me, yeah

No way, no way  
And I sure won't stay, but I'll be damned if I ever leave

In my mind, my mind, my mind  
I think about you all the, all the time  
My mind, my mind, my mind  
You will always be mine
