Zombie – Yungblud

If I was to talk about the words
They would hurt
They would hurt
So if you were to ask about the pain
I would lie
I would lie
To fix my mind
I need time
But it's running out, it's running out
Oh, I know that I can't live without you
But this world will keep turning if you do
Would you even want me,
Looking like a zombie?
Would you even want me, want me, want me?
We could catch a space-ship to the moon
But we'd crash
It wouldn't last
Cause the world is just
A figment of the fools
A blank stare
They don't care
So say your prayers
You're almost there
But it's running out, it's running out
Oh, I know that I can't live without you
But this world will keep turning if you do
Would you even want me,looking like a zombie?
Would you even want me, want me, want me?
Would you even want me,looking like a zombie?
Would you even want me, want me, want me?
Oh, I don't know what I'll turn out to be
But you'll love every moment, believe me
Would you even want me,looking like a zombie?
Would you even want me, want me, want me?
