

# Never Forget You – Zara Larsson

I used to be so happy  
But without you here i feel so low  
I watched you as you left  
But i can never seem to let you go  
'cause once upon a time you were my everything  
It's clear to see that time hasn't changed a thing  
It's buried deep inside me  
But i feel there's something you should know

I will never forget you  
You'll always be by my side  
From the day that i met you  
I knew that i would love you 'til the day i die  
And i will never want much more  
And in my heart i will always be sure  
I will never forget you  
And you will always be by my side 'til the day i die

'til the day i die ('til the day i die)  
'til the day i die ('til the day i die)

Funny how we both end up here  
But everything seems alright  
I wonder what would happen  
If we went back and put up a fight  
'cause once upon a time you were my everything  
It's clear to see that time hasn't changed a thing  
So what in this world do you think  
Could ever take you off my mind (take you off my mind)

I will never forget you  
And you'll always be by my side  
From the day that i met you  
I knew that i would love you 'til the day i die  
And i will never want much more  
And in my heart i will always be sure

I will never forget you  
And you'll always be by my side 'til the day i die

[both:]

Feeling it, loving it  
Everything that we do  
And all along, i knew i had something special with you  
But sometimes you just gotta  
Know that these things fall through  
But i'm still tired  
And i can't hide my connection with you

Feeling it, loving it  
Everything that we do  
And all along, i knew i had something special with you  
But sometimes you just gotta  
know that these things fall through  
I can't hide my connection with you

I will never forget you  
And you'll always be by my side  
From the day that i met you  
I knew that i would love you 'til the day i die  
And i will never want much more  
And in my heart i will always be sure  
That i will never forget you  
And you'll always be by my side 'til the day i die

'til the day i die

I will never forget you

'til the day i die
