Senza una donna - Zucchero & Paul Young

I change the world, i change the world I change the world, i wanna change the world This ain't the way, I spend my mornings baby Come stai? You been with him, Now you come back lady What's he like? I just sit, and watch the ocean By myself, even doing my own cookin' You can laugh, you've forgiven, but I'm no longer frightened, to be livin' Senza una donna, No more pain and no sorrow Senza una donna I'll make it through tomorrow Senza una donna, Givin' me torture and bliss Without a woman, better like this There is no way, That you can buy me baby Don't make fun You got to dig, a little deeper lady (in the heart?) Yeah, if you have one Here's my heart, feel the power Look at me, Look at me I'm a flower You can laugh, you're forgiven, but I'm no longer frightened, to be livin' Senza una donna No more pain and no sorrow Senza una donna I'll make it through tomorrow

Senza una donna,

Uuuuuuuuuuu Ooh I stay here, and watch the ocean Don't know why, Don't know why, I keep on talkin Keep on talkin You may laugh, you're forgiven, but I'm no longer frightened (maybe), To be livin' Senza una donna No more pain and no sorrow Senza una donna I'll make it through tomorrow Senza una donna, Givin' me torture and bliss Without a woman, Vieni qui! Come on in Senza una donna, I don't know what might follow Senza una donna, Oh, maybe from tomorrow! Senza una donna, Givin' me torture and bliss

Givin' me torture and bliss

Uuuuuuuuuuuuuuu
